Respected Principal,

Warm Greetings!

18/8/26

On behalf of the Youth Red Cross (YRC), Namakkal District, I would like to express my sincere gratitude to you for granting permission to your YRC student volunteers and YRC Programme Officers to participate in the YRC District-Level Study Camp.

We greatly appreciate your kind support and cooperation, which contributed to the successful conduct of the camp. The certificates for the participants are enclosed herewith for your kind reference.

We look forward to receiving your continued support and cooperation for our future YRC programmes and events as well.

Thanking you,

Yours faithfully,

E.G. Wesely

Trinity Nagar, Mohanur Road,
Namakkal – 637 002

Sir,

Greetings from M/s. Magisai Nutri Food Products, Ramapuram Pudur, Namakkal.

The Department of Nutrition and Dietetics, Trinity College for Women, Namakkal, organized a programme titled "Health Benefits of Millets" on 12th August 2026. I was a resource person. During my session, I highlighted the importance and major role of millets in promoting dietary diversification in the context of a changing global climate. The programme concentrated on the nutritional and health benefits of eating millets. Because of this Millet Awareness programme, students of Nutrition and Dietetics gained more knowledge about the nutritional merits and health importance of millets. Many participants asked many questions related to millet food products.

On behalf of M/s. Magisai Nutri Food Products, Namakkal, I communicate my good wishes to the Management, Principal, the faculty members of Nutrition and Dietetics—Mrs. R. Rupa, Ms. P. Sri Renugadevi, Mrs. S. Bharathi, Ms. A. Nandhini—and the students of Nutrition and Dietetics.

Wishing you all the very best.

For MAGISAI

With kind regards
