Webinar Programme on "A role of funding agencies for getting research grants"

The Institution's Innovation Council, Trinity College for Women, Namakkal, organized a one-day webinar titled "A role of funding agencies for getting research grants (India)" on 28th February 2026. Due to the observation of National Science Day, this programme was conducted for the benefit of faculty members and the postgraduate students.

Dr. D. Senbagam, Assistant Professor of Biotechnology, SRM Institute of Science and Technology, Kattankulathur, Chengalpattu District, was the resource person.

Plenty of funding agencies are available in India, as well as abroad. These funding agencies encourage faculty members and research scholars to obtain financial assistance from them for conducting seminars, conferences, workshops, faculty development programs, for getting copyrights, for travel grants, patents, scientific innovations, etc.,. Specifically, funding agencies like the Tamil Nadu State Council for Science & Technology, the Department of Science and Technology, the Department of Biotechnology, the Indian Council of Medical Research, the Indian Council for Agricultural Research, the University Grants Commission, the Council of Scientific and Industrial Research, and the Ministry of Education are very helpful to the research scholars and faculty members, she said.

Dr. M.R. Lakshiminarayanan, Principal, Dr. R. Sakunthaladevi, Assistant Professor of Physics, various department heads, faculty members, students of postgraduate departments, etc., took part.

Article Writing Training Session

The Institution's Innovation Council and Research & Development Cell, in association with the Internal Quality Assurance Cell, Trinity College for Women, Namakkal, organized a one-day training session titled "Expert-Led Training on Scientific Writing, Selecting Journals, Peer-Review, and Avoiding Predatory Publications," with the theme of Research, publications, and dissemination. It was held on 13th March 2026 in the College premises. The programme focused on enhancing participants skills in academic writing.

Dr. R. Sakunthaladevi, Assistant Professor of Physics, and Dr. S. Revathy, Assistant Professor of Mathematics, Trinity College for Women, Namakkal, were the resource persons.

The resource persons shared valuable insights, techniques, and guidelines for producing high-quality academic research papers. Apart from that, they explained the introduction of research writing, review of literature, structure & steps, writing plans preparations, kinds of research writing, utilization of scientific innovations, usage of secondary and primary datas, discussion of writing results, application of statistical tools, interpretations, findings, and so on. All the postgraduate students of the College benefited through that programme.
