Competitive Examinations are an important part of academic and professional journeys. Preparing for the Entrance Examination is not easy in a single day. Preparation is very mandatory for these examinations. Year-on-year, many candidates apply for the posts of banking service recruitment at both public sector banks and private sector banks. However, a few students have obtained jobs. Time Management, Study Plan, Deep Subject Study, Analytical Skills, Communication Skills, Well Preparation, and Practices are needed for clearing these examinations. Everything is possible, she said.

The faculty members of Mathematics, Dr. B. Lena (HOD), Dr. S. Jeyanthi, Mrs.V.Gokila, Mrs.S.Madhukaraveni, Dr.S.Revathy and Mrs. M. Nandhini also spoke on that occasion. All the students of Mathematics (both undergraduate and postgraduate) actively took part.
