Sir,

Greetings from M/s. Magisai Nutri Food Products, Ramapuram Pudur, Namakkal.

The Department of Nutrition and Dietetics, Trinity College for Women, Namakkal, organized a programme titled "Health Benefits of Millets" on 12th August 2026. I was a resource person. During my session, I highlighted the importance and major role of millets in promoting dietary diversification in the context of a changing global climate. The programme concentrated on the nutritional and health benefits of eating millets. Because of this Millet Awareness programme, students of Nutrition and Dietetics gained more knowledge about the nutritional merits and health importance of millets. Many participants asked many questions related to millet food products.

On behalf of M/s. Magisai Nutri Food Products, Namakkal, I communicate my good wishes to the Management, Principal, the faculty members of Nutrition and Dietetics—Mrs. R. Rupa, Ms. P. Sri Renugadevi, Mrs. S. Bharathi, Ms. A. Nandhini—and the students of Nutrition and Dietetics.

Wishing you all the very best.

Sir,

Greetings from the Department of Commerce, Namakkal Kavignar Ramalingam Government Arts College for Women, Namakkal. The inauguration function of the Commerce Department was held on September 11, 2026, on the college campus.

You initiated the function and delivered a special lecture program titled "Victory is in Our Hands.

Failure is a part of our lives; we must not let it exhaust us. Systematic strategic planning mostly does not fail, you rightly pointed out in that program, Sir,

More than 250 students as well as faculty members of Commerce took part. On behalf of the Department of Commerce, we convey our best wishes to you, Sir.

The students' feedback was very superb.

We expect the same cooperation in the upcoming days also.

Kind regards

Sir,

Greetings from M/s. Career Solutions, Karaikudi.

The Placement Cell, Trinity College for Women, Namakkal, conducted a one-day career guidance program titled "Preparation Tips for TNPSC Group Examinations" on September 1, 2026, on the college premises. I was the resource person. All the final-year undergraduate and postgraduate students of the college actively participated in that program. I gave them tips, strategies, and valuable guidance for successfully completing the TNPSC Examinations on the first attempt. Many students were asked many questions during the question hour. I interacted with them and clarified the participants' queries. On behalf of M/s. Career Solutions, Karaikudi, I extend my best wishes to the Chairman, Secretary, Executive Director, Principal, and Placement Cell Officer for giving me a wonderful opportunity that day. I thank all the students of the college for active participation.

Sir,

Greetings from the ICDS, Namakkal.

First of all, on behalf of ICDS (Integrated Child Development Services), we convey our best wishes to you, sir, for your continuous support to our organization. As a component of the project, Integrated Child Development Services (ICDS), the Office of Child Development Service, Namakkal & Paramathi Blocks, Namakkal District, conducted a one-day awareness program titled "Balanced Diet and Providing Nutritious Food to Malnourished Children" on October 12, 2026, at Hotel Coastal Residency, Tiruchengode Road, Namakkal.

On this subject, a faculty member from your college (Trinity College for Women – Namakkal), Mrs. R. Rupa, Assistant Professor & Head, Department of Nutrition and Dietetics, came to this program and delivered a special lecture program on that date. She spoke very well; she explained the essential need for healthy foods for children. All the participants benefited from that program.

We convey our best wishes to Mrs. R. Rupa.

Sir,

Warm Greetings from Government Higher Secondary School, N. Pudupatti, Namakkal.

The faculty members of Physics, Dr. S. Sandhiya, and the faculty member of Chemistry, Dr.S.Anidha, of Trinity College for Women, Namakkal, came to our institution on October 22, 2026, and delivered a special lecture program entitled "The Importance of Physics and Chemistry – For Our Economy and Society".

Nowadays, a great number of students are not interested in pursuing Physics, Chemistry, and Mathematics courses. These are evergreen courses. There are many job opportunities for individuals who take these courses. Unfortunately, many of the students are focusing on Computer Science and Information Technology courses.

Dr. S. Sandhiya and Dr.S.Anidha nicely and neatly explained the importance of these courses (especially Physics and Chemistry).

All of the tenth-standard students of our School benefited through their talks.

On behalf of the students and teachers of Government Higher Secondary School, N. Pudupatti, we convey our best wishes to the Management, Principal, Faculty, and Students of Trinity College for Women, Namakkal.

Best wishes.

Kind regards

Sir,

Greetings from M/s. Government Higher Secondary School, Varagur, Sendamangalam Taluk, Namakkal District. Good wishes to Dr. A. Latha, Assistant Professor of Tamil, Trinity College for Women, Namakkal.

Our school inaugurated the "Junction of Tamil" program on 22.10.2026. In this regard,

Dr. A. Latha, Assistant Professor of Tamil at Trinity College for Women, Namakkal, came to our institution to inaugurate the "Junction of Tamil" (தமிழ்க்கூடல்) program and delivered the special lecture entitled "Literature of Sangam and Lifestyle" (சங்க இலக்கியமும் வாழ்வியலும்), organized by the Government Higher Secondary School, Varagur, Sendamangalam Taluk, Namakkal District, on October 22, 2026.

All the students, teachers as well as some parents took part. Her talk was excellent. On behalf of the Headmaster, teachers, and students of our school, we convey our good wishes to Dr. A. Latha, Assistant Professor of Tamil of your renowned Institution.

Sir,

Best Wishes from M/s. Government Higher Secondary School, N. Pudupatti, Namakkal District. Dr. M. Sasikala, Assistant Professor and Head, and Dr. G. Sathiya Sangari, Assistant Professor, Postgraduate and Research Department of Commerce, Trinity College for Women, Namakkal, came to our school and delivered a special lecture program entitled "Scope and Career Options for Arts and Commerce Students" on October 26, 2026.

Their talk was excellent. They nicely explained the needs, importance, and opportunities in higher studies and job openings for Commerce graduates. Our school students' feedback was very positive.

In particular, Dr. M. Sasikala was an "Alumna" and "Bonafide Student" of our N. Pudupatti school. It is very special that she conducted an awareness program for our current students.

All the ninth, tenth, eleventh, and twelfth students of our school benefited from their talk.

On behalf of Government Higher Secondary School, N. Pudupatti, Namakkal District, we extend our felicitations to Dr. M. Sasikala and Dr. G. Sathiya Sangari, Faculty of Commerce of your renowned college.

We expect the same cooperation in the upcoming days, too.
