WHATSAPP NO:	7550329192
DESIGNATION (ID CARD)	<p>The screenshot shows an IBM Offer Letter titled 'OfferLetter_KKKir...'. It is addressed to 'Dear Kiruthika K'. The letter states that IBM is pleased to offer the position of Associate - Technical Engineer, in Band 040, at IBM India Pvt Ltd (IBM or Company). The terms and conditions of the employment contract are detailed below. The offer is contingent upon obtaining the degree, consistent academic performance, minimum aggregate or equivalent of 65% in your highest completed education, failing which IBM may, at its sole discretion, withdraw this offer of employment. As announced in October 2020, IBM intends that its Managed Infrastructure Services business of the GTS organization will become an independent company named Kyndryl by the end of 2021, creating two distinct and powerful market-leading companies. Together, we will advance the vital systems that power the digital economy. Serving over 6,000 technology-intensive, highly regulated customers, including over 75% of the Fortune 100, our people will design, run, and manage the most modern and reliable technology infrastructure that the world depends on today. IBM currently plans that within the third quarter of 2021, Kyndryl will commence operations within IBM in most countries. Kyndryl will then spin off from IBM as a separate publicly traded company on a date to be announced, subject to the satisfaction of regulatory requirements. As you are aware, your role is to perform or support the Infrastructure Services. Thus, your role may be transferred to the relevant Kyndryl entity in your country as part of the spin off. Until IBM's Infrastructure Services teams are transferred to the Local Kyndryl entity, and you have been notified of the transfer, you will work in support of the Infrastructure Services team(s) at IBM. The letter also includes sections for 'Acceptance and Considerations', 'To confirm your acceptance of this offer, you are required to:', and a list of items to bring on the first day of employment.</p>
