Senthilkumar, Administrative Officer of the College made arrangements of that webinar. All the faculty members of Trinity College for Women took part in that virtual event.

#### A bird's view of Delhi Air Pollution

The NSS, Eco Green Club and IQAC in association with the Department of Chemistry, Trinity College for Women, Namakkal observed "World Environment Day" on 5th June 2021.

In this regard, Dr. J. Mullaimanimozhi, Environmentalist, 92, Periyar Nagar, Third street, Sri Raghavendra Apartments (B Block) Mambalachalai, Srirangam, Trichirappalli was the special speaker.

Owing to world environment day (5th June 2021), our College National Service Scheme, Eco Green Club and Internal Quality Assurance Cell in association with the department of Chemistry organized a one day webinar event in the title of "A bird's view of Delhi Air Pollution" on 5th June 2021 (Saturday).

Now, India's population is roughly 140 crores. More or less 2 crore people are living in Delhi. It is one of the most populated union territories in India. It is one of the thickest population areas. The main and major sources of air pollution in Delhi include vehicle exhaust, heavy industry for example power generation, small scale industries like brick kilns, suspended dust on the roads because of vehicle movement and construction activities, open waste burning, combination of fuels for cooking, lighting and heating as well as in – sit power generation via diesel generator sets, she indicated. For the past few years, its pollution has been reduced on account of amendment of strict rules in Delhi Union Territory, she said.

(Permanently Affiliated to Periyar University, Salem-11) 2(f) & 12(b) Status Granted by UGC, New Delhi. www.trinitycollegenkl.edu.in

PG Department of Chemistry in association with IQAC and RDIC organize a one day online workshop

#### **Chem Draw and Chem Sketch**

The PG Department of Chemistry in association with IQAC & RDIC, Trinity College for Women, Namakkal organized an online workshop entitled "Chemdraw and Chem-sketch" on 9th June 2021.

Dr N.Sudha, Assistant Professor in Chemistry, Muthayammal College of Arts and Science (Autonomous), Rasipuram, Namakkal District was the special invitee.

The resource person explained the use of chemicals in the preparation of medicines and about Chem. Draw software, besides various technologies. It includes the topics of Drawing Complex Diagram and Structures, Structure to Name, Name to Structure, NMR Spectra Prediction HELM and Bio Polymer, Hot keys, various Chem Sketch with Chem ACX, Chem 3D, Signals Note Book, etc.,

#### **An introduction of Nano Science and Green Technology**

Our College Department of Chemistry and SWAYAM jointly conducted a one day webinar event titled "An introduction of Nano Science and Green Technology" on 06th January 2021.

In this regard, Dr S Srinivasan, Assistant Professor in Chemistry, Aringnar Anna Government Arts College, Kattukottai, Attur Taluk, Salem District was the special speaker.

Both Nano technology and Nano science are the study and application of extremely small things and can be used across all the other science fields and areas like Physics, Chemistry, Material Science, Biology, Engineering, Agriculture, Medicine and so on, he rightly focused the importance of Nano in our current and future generations. Nano Science has a different and multiple applications, including manufacturing, production, technology and medicine. It carries on growing as a field and brings together a multifaceted group of researchers, including chemists, biologists, physicists and engineers, he correctly pointed out.

More than 90 students of Chemistry (both UG and PG) actively participated in that webinar event.

The faculty members of Chemistry Mrs. N. Thangamani, Mrs M Chitra, Mrs. V Indirakumari, Dr N Santhi, Dr D Sakthilatha, Mrs. R. Priya, Mrs. G. Mahesh and Ms S Devi took part in that webinar.

#### <u>Career opportunities in civil service examinations</u>

The Placement Cell, IQAC and RDIC, Trinity College for Women, Namakkal organized an online webinar event on 14th June 2021. The title of the webinar was "Career opportunities in civil service examinations".

Mr. S. Rajasekar, Competitive Exam Trainer & Author of Civil Service Books & Mr. V.R. Sriramadesikan,

Chief Coordinator & Executive Member, Chinmaya Academy for Civil Services & Chinmaya Academy of Management, Chennai were the resource persons.

Mr. S. Rajasekar gave some tips for civil service examinations especially for beginners. Self confidence, hard work, time management, planning of study, make a time table, knowing the UPSC syllabus, regular reading of newspapers/current affairs, choosing correct optional subjects, refer the NCERT books, making notes clearly, preference to answer writing practice, solving previous years UPSC question papers, self assessment of mock test series, utilization of important government resources like Government Websites, Watching Rajya Sabha Television Programmes, Read out UPSC related magazines yojana kurukshetra, economic and political weekly, etc.,

The civil service examinations are not a child's play. It requires commitment, dedication, hard work, enthusiasm, planned studies and determination. Unlike any other examination, this exam's syllabus is vast and broad. The candidates should enhance their knowledge and develop administrative traits. But, we can do it and succeed. It needs right direction, dedication, time management, right study material, smart work and knowledge of current events, in parallel with a confident smart personality with leadership qualities, Mr. V.K. Siramadesikan quotes in his speech..

#### **Global Wind Day**

The NSS in association with Citizen Consumer Club, Eco Green Club and IQAC of Trinity College for Women, Namakkal observed a Global Wind Day on 15th June 2021. Mrs. N. Thangamani, Assistant Professor and Head, PG Department of Chemistry, Trinity College for Women, Namakkal delivered a lecture for the benefit of students. It was held through the platform of Google Meet. The uttermost efficient and labour energy saving technology to produce energy in a safe, protected and environmentally sustainable manner. It is zero emission, local, inexhaustible, unlimited competitive and I make wealth and jobs for unemployed persons, she spoke. Also, she highlighted the importance of oxygen to our human body.
