Chairman's Message:

On behalf of the members of the College committee, academic and administrative staff members of Trinity College for Women, I am very delighted to note that our College was established in 2000. Now, nearly 1500 students are pursuing higher education. More or less 70 faculty members are working in our Institution.

Higher Education has an important and Instrumental value. Especially, women higher education is important for nation's development.

This College is permanently affiliated to Periyar University, Salem. Our Institution has equipped laboratories, highly modernized computer lab with 24×7 internet facilities, well stocked

library and good qualified and dedicated faculty members. I am glad to say that enthusiastic commitment of our teaching and non- teaching staff members has enabled us attain better results and greater enhancements in teaching learning process from year to year.

Good luck to you as you move onto the next stage in your life. Without a doubt, you will continue to have success in all areas.

Secretary's Message:

It gives me immense delight in welcoming you to Trinity College for Women (Arts and Science), Namakkal, Tamil Nadu state, India.

Trinity College for women was established in the year 2000 on the felt need of the society. The growth of the institution in a short span of 23 years is encouraging.

Students from the lower strata of the society too have come forward to pursue higher education. Women education in India plays a very important role in the overall development of the country. The first former Prime Minister of India Pandit. Jawaharlal Nehru pointed out that if you educate a man, you educate an individual. However, if you educate a woman, you educate a whole family.

Women empowered means mother India empowered. For the upliftment of women, this educational institution was started. This College has evolved an exclusive educational program blending futuristic needs, development skills and growth that are instrumental in facing current day job requirements and also for the student professional benefits. With our state-of- the-art infrastructure, the student will be acclimatized to proficient work culture and emerge as well-rounded professionals that the industry desires to have.

Principal's Message

"I measure the progress of a community by the degree of progress which women

HAVE ACHIEVED" Bharat Ratna – Dr.B.R.Ambedkar.

Women education is very important for the country full development. Women must be educated for a healthful and an untroubled life. Educated women can be a higher quality human being, wealthy mother and responsible citizen. Educating women will surely upgrade the living standard both at and outside home. Women are leaders in all fields. For the purpose women's growth and development this Institution was started. For the past 19 years, more than 6000 students have completed their degree and settled in good life. Choosing where to pursue your higher education is a major decision and I strongly believe that Trinity College for Women will be a better choice to you. I appreciate members of teaching and non-teaching staff of our Institution for their supporting

Vision:

Our Vision is to build a casteless and classless society, imparting quality education to women and paving the way for women's empowerment, enhancing their capability and making India a "GREAT NATION".

Mission:

Our Mission is to achieve the vision by practicing the cardinal Principles of Discipline, Good Character, Sound Education and Development of Patriotism
