The Principal Dr.M.R. Lakshiminarayanan, he welcomed all the members and the special invitees. As per the previous meetings, all the pending repairing works have been mostly completed. The Principal also conveyed thanks to the Administrative Officer, The incharge of Repair and Maintenance and other office staff members for rectification of all the pending works. At present there are no major issues in this regard, he said.

In this meeting, new student's complaints were forwarded in this meeting

Discussion of Points

Student's Grievance:-

To build a new modern canteen facilities for the students benefits

The above said participants (14 members) have forwarded this student's issue to the management of Trinity Academy Charitable Trust.

They assured to construct a new modern canteen facility at the earliest.

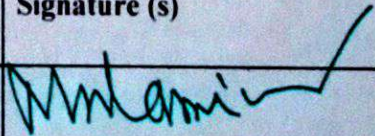

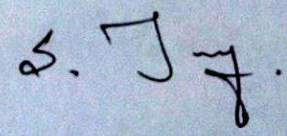

To remove honey bee hive from the science block in 3rd floor

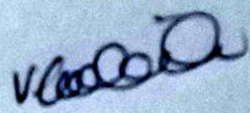

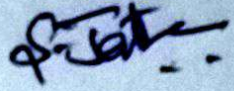

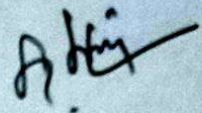

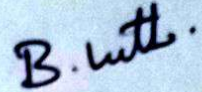

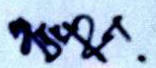

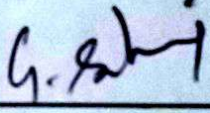

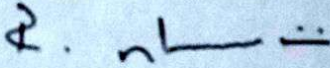

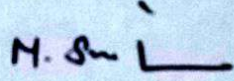

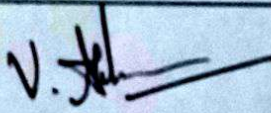

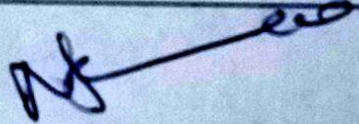

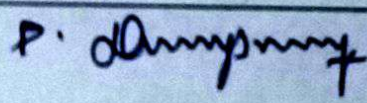

It is recommended and decided to remove honey bees with the help of campus maintenance and the sub staff members at the earliest for student's welfare.

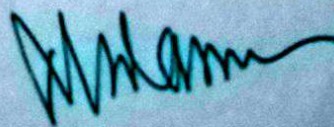

Installation of Water Doctor Equipment

According to the Student's grievance – They insisted on providing cool drinking water in the college premises in all the blocks (both Main block & science block). In this regard, the Alumni Forum of Trinity College for Women purchased two water doctor equipment for the sake of students.
