The readout the following sentences:- “As a young citizen of India, armed with technology, knowledge and love for my nation, I realize, small aim is a crime. It has entered into me; the ignited soul compared to any resource is the most powerful resource on the earth, above the earth and under the earth. I will keep the lamp of knowledge burning to achieve the vision - Developed India If we work and sweat for the great vision with ignited minds, the transformation leading to the birth of vibrant developed India will happen.
