GOOGLE WORKSPACE: AN OVERVIEW

The PG Research Department of Computer Science, Trinity College for Women, Namakkal organized **“A skill based elective courses – Google Workspace: An overview”** on **9th November 2021**. It was held through the platform of Google Meet. **Dr. A. Sudha Ramkumar, Associate Professor and Head, Department of Computer Science (Shift 1), Sri Kanyaka Parameswari Arts and Science College for Women, Chennai** was the resource person. Changes are inevitable. Now, Google is one of the search engines for the needs of new information. The solution is that Google workspace is very important. Everything we need to get anything done, now in one place. Google workspace includes all of the productivity applications we know such as Gmail, calendar, drive, docs, sheets, slides, meet and many more. Whether we are returning to the office, working from home, on the frontline with our mobile device, or connecting with customers. It is the best way to create, communicate and collaborate, she pointed out. More than 91 students Participated in this event.
