Dear Sir/ Madam,

*Greetings from Unnat Bharat Abhiyan !*

Congratulations to the Participating Institution selected under Unnat Bharat Abhiyan, a flagship program of the Ministry of Education (MoE) Government. We are glad that you have selected the cluster of villages under Unnat Bharat Abhiyan (UBA) in consultation with the District Collectors.

The next step is to complete the survey of all the villages adopted by you under the program. Please find attached a copy of a template for the Baseline Household survey form as well as the Village survey form to be filled in during the field survey. An attempt should be made to cover all Households in the village. One Village survey forms are to be filled for each village. Kindly get it completed in all village surveys as soon as possible. Then the data should be uploaded online on the reporting portal of the UBA website from your side. The Reporting Portal login credentials are the same as your registration credential, soon the portal will be activated for uploading the data. After login your login credential (*Will be generated in 3rd week of May 2022*) and uploaded the baseline survey data on UBA Website for further analysis by August 2022. After the final submission of baseline survey data an analysis report of the data, fed by you will be generated on the UBA Website at your Institute page under Reporting Portal on the home page. You may use the same for the preparation of the plan of action/ Village development plan/ Technologies intervention for each village.

You are requested to complete the PRA exercise of adopted villages for identification of major problems and preparation of a plan of action/ technical interventions. You are advised to kindly contact the village development officer and representatives of villages and organize Gram Sabha meetings as soon as possible and identify three major issues to be taken up for village development. You can set short-term, medium-term and long-term goals for village development. You should start addressing two or three challenging issues immediately without waiting for household surveys to be completed. These issues should be identified through Gram Sabhas and should ensure public participation in planning and implementation. A template for seeking
