LOVE WHAT YOU WEAR

**Clothes mean nothing until someone
lives in them**

Here I designed my dress based on a
theme - FISH.

I applied my theme in Garment
construction, where I have designed a
dress like Fish-cut.

I chosen a fabric variety named Satin.
I have also used inner lining for
comfortable wearing.

I also used Cancan Material as under
garment for stiffness

I used satin as a Head scarf
I used heels as a foot wear accessory
which gives me more confident while
walking

Garment Name: Fish-cut Frock

Garment Details: Fish cut bottom with
full Hand sleeves and Head scarf
