Chairman's Message:

On behalf of the members of the College committee, academic and administrative staff members of Trinity College for Women, I am very delighted to note that our College was established in 2000. Now, nearly 1250 students are pursuing higher education. More or less 70 faculty members are working in our Institution.

Higher Education has an important and Instrumental value. Especially, women higher education is important for nation's development.

This College is permanently affiliated to Periyar University, Salem, and got NAAC A+ Grade. Our Institution has equipped laboratories, highly modernized computer lab with 24x7 internet facilities, well stacked

library and good qualified and dedicated faculty members. I am glad to say that enthusiastic commitment of our teaching and non-teaching staff members has enabled us attain better results and greater enhancements in teaching learning process from year to year.

Good luck to you as you move onto the next stage in your life. Without a doubt, you will continue to have success in all areas.

Secretary's Message:

It gives me immense delight in welcoming you to Trinity College for Women (Arts and Science), Namakkal, Tamil Nadu state, India.

Trinity College for women was established in the year 2000 on the felt need of the society. The growth of the institution in a short span of 23 years is encouraging.

Students from the lower strata of the society too have come forward to pursue higher education. Women education in India plays a very important role in the overall development of the country. The first former Prime Minister of India Pandit. Jawaharlal Nehru pointed out that if you educate a man, you educate an individual. However, if you educate a woman, you educate a whole family.

Women empowered means mother India empowered. For the upliftment of women, this educational institution was started. This College has evolved an exclusive educational program blending futuristic needs, development skills and growth that are instrumental in facing current day job requirements and also for the student professional benefits. With our state-of-the-art infrastructure, the student will be acclimatized to proficient work culture and emerge as well-rounded professionals that the industry desires to have.

Mrs. Aruna Selvaraj,
Executive Director,
Trinity College for Women,
Namakkal - 637 002

Life is a never ending series of opportunities to perform and to achieve. Life without communication is like a fish out of water. Communication is an apple of the eye to every institution's growth. With this in mind, our Trinity newsletter will serve to reinforce and increase awareness as well as it will help the students to improve their ability to perform among all of us.

Our college newsletter will motivate our students, as it serves as a medium to showcase their success stories. My hearty congratulations to the entire team members of Trinity Newsletter, Trinity College for Women.

Best wishes to all.

Principal's Message

"I measure the progress of a community by the degree of progress
which women
HAVE ACHIEVED" Bharat Ratna - Dr.B.R.Ambedkar.

Women education is very important for the country's full development. Women must be educated for a healthful and an untroubled life. Educated women can be a higher quality human being, wealthy mother and responsible citizen. Educating women will surely upgrade the living standard both at and outside home. Women are leaders in all fields. For the purpose women's growth and development this Institution was started. For the past 20 years, more than 6000 students have completed their degree and settled in good life. Choosing where to pursue your higher education is a major decision and I strongly believe that Trinity College for Women will be a better choice to you. I appreciate members of teaching and non-teaching staff of our Institution for their supporting
