All the second year undergraduates and postgraduates and the final year undergraduates of Trinity College for Women, Namakkal took part. The Chairman, Er. K. Nallusamy, presided over the programme and spoke about the celebration of the silver jubilee of the college during this academic year 2024-2025. Mrs. Aruna Selvaraj, Executive Director of the College, highlighted the importance of English communication skills for immediate placement. Dr. M.R. Lakshminarayanan, principal, welcomed the gathering. Dr. Arasuparameswaran, Coordinator – Silver Jubilee Celebrations, Trinity College for Women, Namakkal, explained the conduct of the various events and programmes for this current academic year, as the celebrations of Silver Jubilee Year. All the faculty members along with students of second year and third year of the college attended that programme. Dr. T.K. Anuradha, Assistant Professor and Head, Post Graduate and Research, Department of Tamil compiled the programme.

Inauguration function of the silver jubilee celebrations (2024-2025)."

On July 1, 2024, a procession celebrating the 25th Silver Jubilee of Trinity College for Women, Namakkal, took place at the college campus, featuring cultural programs and academic achievements.

"This program was presided over by Er. K. Nallusamy, Chairman of the College. Dr. R. Kulandaivel, President, Trinity Academy Matric Higher Secondary School; Mr. P. Dhayalan, Transport Director, Trinity Academy Educational Institutions; Mr. Rama Srinivaasan, Secretary, Trinity International School; Mr. S. Selvaraj, Secretary; and Aruna Selvaraj, Executive Director, Trinity College for Women, offered their felicitation addresses. The college principal, Mr. M. R. Lakshminarayanan, extends a warm welcome to everyone. Dr. Arasuparameswaran, Coordinator, Silver Jubilee Celebrations Committee, Trinity College for Women, introduced the chief guests.

25th year of Silver Jubilee celebrations and the Inauguration of the First Year Undergraduate Students were started by Mr. K. Vaidyanathan, Editor, Leading Tamil Daily of Dinamani. He addresses the students and talks about how education is important. The Tamil language is spoken in 179 countries worldwide. It remains our specialty, no matter where we go. Mastering its expression well is our unique strength, regardless of how much

we learn. Today's generation bears a significant responsibility. It's incorrect to blindly support someone we admire, regardless of their actions. We must discern between right and wrong. He shared this valuable lesson with the students.

Most college students today need to engage more in self-study. This is because they are well-informed about their surroundings. We can watch movies ten years from now, but we must build our education now; we cannot delay it. In Tamil Nadu, students in cities like Chennai and Coimbatore have greater exposure compared to those in other parts of the state. This needs to be encouraged. Many achievers in the world come not from big cities like Mumbai, Delhi, Kolkata, or Chennai, but from ordinary towns or villages. Those of you from Namakkal should travel widely and achieve more through self-discipline. Be courageous and read newspapers daily. Learn Thirukkural daily. Take inspiration from leaders like Gandhi, Bharathi, Vivekanandar, Namakkal Kavignar, Kamarajar, Abdul Kalam, and others.

Kavignar Muthulingam, Senior Lyricist, Tamil Cinema, and Former Poet of Laureate, Government of Tamil Nadu, eloquently speaks for the Tamil Association of Delicate Women (Mellina Tamil Mandram). The Tamil language is always distinctive and one of the best languages in the world. For Tamilians, number 'Three' is very important: in God, we have Brahma, Vishnu, Siva; in Tamil, we have Vallinam (hard consonants or sounds in Tamil), Idayinam (soft consonants in Tamil), and Mellinam (medium consonants or sounds in Tamil); in fruit, we have Ma (mango), Pazha (jackfruit), and Vazhai (banana); in literature, Iyal (prose), Isai (music), and Nadagam (drama). Even the Thirukkural taught us three main things: virtue (Aram), wealth (Porul), and love (Inbam).

In the inauguration, the management also honored the faculty members, Dr. R. Navamani, Dr. B. Lena, Dr. A. Vijayasarithi, Dr. S. Usharani, and Dr. K. Gowrimala, who had completed their doctorate degrees during the academic year 2023-2024.

The dignitaries also congratulate Mrs. K. Vijayakumari from the Computer Science department for her achievement in getting star-level status in the SWAYAM NPTEL Online Examinations.

This program was hosted by Dr. T.K. Anuradha and Mrs. S. Jayamathi from the department of Tamil. The Administrative Officer, Mr. N.S. Senthil Kumar, organized technical arrangements. Nearly 2000 members attended the program. The event also featured cultural programs by students. Mr. S. Somasundaram, Principal, Trinity Academy Matric Higher Secondary School, Namakkal also took part.

At the conclusion of the program, Dr. M. Sasikala, Assistant Professor and Head, Postgraduate & Research, Department of Commerce, proposed the vote of thanks. The entire campus was adorned with balloons and flowers, adding to the festive atmosphere for the audience.

Kavingar Muthulingam - convey his greetings to the management and faculty of Trinity College for Women.

Kavingar Muthulingam, Senior Lyricist, Tamil Film, and Former Poet of Laureate, Government of Tamil Nadu, inaugurated the Tamil Association of Delicate Women . (மெல்லின தமிழ்மன்றம்) on July 1, 2024, during the opening ceremony of the Golden Jubilee Celebrations of the College. He communicated his greetings to the management, principal, and faculty members of the college for conducting the various skill development programs for the sake of students at Trinity College for Women, Namakkal.

On this subject, a group photo was taken along with Er. K. Nallusamy, Chairman, Er. S. Selvaraj, Secretary, Mrs. Aruna Selvaraj, Executive Director, Dr. M.R. Lakshminarayanan, Principal, Dr. Arasuparameswaran, Coordinator, Silver Jubilee Celebrations Committee, Mr. N.S. Senthilkumar, Administrative Officer, Dr. R. Navamani, Vice-Principal, and the HOD's of our college. Dr. M. Sasikala (Commerce), Dr. N. Elamathi (PG Computer Science), Dr. B. Lena (Mathematics), Dr. B. Lakshmi (Physics), Dr. T.K. OUR STUDENTS AS WELL AS FACULTY MEMBERS PARTICIPATION IN THE SWAYAM-NPTEL EXAMINATIONS

The SWAYAM Portal has been created by the Ministry of Human Resource Development and All India Council for Technical Education with the aid of Microsoft. These SWAYAM Courses are a significant platform for learners to ameliorate that intelligence and to obtain more specialised skills in their area. It is very useful to all the learners. We motivate staff and students of our Institution for completion of SWAYAM courses for their future development.

Good wishes to the students and the faculty of the College for cracking in the SWAYAM Online examinations

The following 5 faculty members and 26 students of our College have passed their SWAYAM NPTEL courses for the session of July to October 2024.

On behalf of Unnat Bharat Abhiyan Cell, Trinity College for Women, Namakkal, we maintain solid waste management in our college.

The management of Trinity College for Women, Namakkal, facilitates several techniques for the management of degradable and non-degradable waste. The primary focus is to reduce, reuse, and recycle the waste. The college has been declared a plastic-free zone by the college administration. Apart from that, the three members of the NAAC committee visited our institution on February 8 and 9, 2023 for the purpose of NAAC accreditation. They pointed out in the final report that "green and clean are the two eyes of Trinity." In this continuation, on behalf of Unnat Bharat Abhiyan Cell, solid waste management is maintained in the College campus. Our College has organized a programme entitled "Demo of solid waste management – from plant leaves to organic fertilizers" on 13th June 2024 on the college campus.

Mrs. S. Hemalatha, Assistant Professor in Tamil and Coordinator of Unnat Bharat Abhiyan Cell, Trinity College for Women, Namakkal, explained the process of solid waste management from the waste plant leaves to natural manure production. Due to the encouragement of solid waste management, we collected the leaves of trees and plants on the campus of Trinity Educational Institutions. Also, they put in the pit and recycle the compost produced in this way and use it again as organic farming. These organic fertilizers are used by plants and trees as natural compost, she said.

Mrs. Aruna Selvaraj, Executive Director, Dr. M.R. Lakshiminarayanan, Principal, Dr. Arasuparameswaran, Coordinator – Silver Jubilee Celebrations, The representative of UBA adopted villages Dr. R.
