

## Programme on “Deep Thinking is the compass of Great Achievers”

The Department of Computer Science, Trinity College for Women, Namakkal conducted a student brainpower programme titled “Deep Thinking is the Compass of Great Achievers” on 28th August 2025 in the Trinity Auditorium.

### Theme of the Programme

Mind Questions : The Ultimate Challenge for Emerging Innovation
---

The various games, such as binary bounce, balloon blitz, steady sprint, clue collage, bit collection, sequence snap, logo hunt and tune tracker conducted for the students of BCA, B.Sc., Computer Science, B.Sc., Computer Science (AI & DS) and M.Sc., Computer Science.

### DETAILS OF GAMES LIST

#### 1. Binary Bounce

It's a puzzle game where you control physical movements(jump) using binary digits.

#### 2. Balloon Blitz

It is a game for doing team coordination.

#### 3. Steady Sprint

Using only 5 pens, players must lift the ball and place it at the finishing point.

#### 4. Clue College

A word will be given in split image form and students have to find the correct word.

#### 5. A bit of Collection.

Four Circles are placed. One has 5 balls and the others have players.

Each can take one ball at a time from their circle. The first to collect 3 balls wins.

#### 6. Logo hunt

10 logos are shown on a slide for 10 seconds.

After that, students have to recall and say the logos one by one.

#### 7. Tune Tracker

Song lines guess. It is used to find the song names for the respective tunes.

## 8. Sequence Snap

Images are shown one by one. Student must memorize them and then recall the sequence in the correct order.
